Crerar Networking

Networks

CS Networks are comprised of the following:

```
Public:
  * 128.135.11.0/24
  * 128.135.123.128/25
Private:
  * 10.135.11.0/24
  * 10.135.18.0/24
```

Network Jacks

- There can be only one subnet per network jack.
- The first network jack is patched into the switches.
- As of 20180826 we have tried to assign the jack to correct subnet.
