## This is a wiki

**Anyone in [our department](#) can modify the pages found on this site.** Don't worry about getting the formatting right.

The documents found here will help you navigate the computing environment of CS. Some of them are of a technical nature and others are just collections of [helpful tips](#), [policies](#), and [common problems](#).

If you are not sure where to start have a look at the [FAQ](#), the [Unanswered\\_Questions](#) or the [answered\\_questions](#).

Login is waiting for you, or you can keep reading.

## What's here?

The sitemap up there in the top right has a complete list. You can also look at [The Grand Overview](#), [computing services](#) or [tips](#) written for getting started.
