

Licensing

The official word on Adobe Single User licenses.

Named License

1. The cost is \$92/year (for one product). \$196/year for 3 or more products (e.g. illustrator, photoshop, after effects, etc).
2. The subscription term is fixed. (e.g. Sept. 28, 2022 through Sept. 27, 2023.)
3. Orders can be placed in Buysite by choosing the ITS Site Licensed Software icon as the supplier and searching for Illustrator CC.
4. The end-user name and UChicago email address must be included in the External Notes section of Buysite orders.
5. Any orders that do not include the end-user information, delays processing time and may cause the order to be rejected.
6. After processing the order, an email invitation will be sent to the end user. The end user, should accept the invitation from the computer that will receive the installation.
7. The end user will be prompted to log in with an Adobe ID and password or create one if he/she does not already have one. After logging in, he/she can begin the installation.
8. Renewal notices go out to end users at the beginning of Sept.
9. If unrenewed, the software can be used until Sept. 27, 2023.
10. End users are allowed to install on 2 machines.
