

# Licensing

The official word on Adobe Single User licenses.

## Named License

1. \$110/year for one product. \$235/year for two or more products. \$65/year deal for all students.
2. The subscription term is fixed. (e.g. Sept. 28, 2024 through Sept. 27, 2025.)
3. After processing the order, an email invitation will be sent to the end user. The end user, should accept the invitation from the computer that will receive the installation.
4. The end user will be prompted to log in with an Adobe ID and password or create one if he/she does not already have one. After logging in, he/she can begin the installation.
5. Renewal notices go out to end users at the beginning of Sept.
6. If unrenewed, the software can be used until Sept. 27, 2025.
7. End users are allowed to install on 2 machines.

## Faculty/Staff

1. If you wish to renew/purchase a license, log in at <https://uchicagosoftwarelicensing.onthehub.com/>
2. If you are not renewing, email Tech Staff and include the account you want to use to purchase the license and which software you would like.

## Students

1. Contact your advisor to see if they will sponsor your Adobe account.
2. Include the end-user name, UChicago email address, and Adobe product in an email to Tech Staff.
3. Note you are a student if trying to purchase with the \$65/year deal.
