CS Email

Your CS email address is your account name followed by @cs.uchicago.edu This is distinct from your University or email address. By default, we forward all of your CS mail to your @uchicago.edu address.

Checking Email

If your email is forwarded to uchicago.edu, you must read up on where's my mail. If you email is not forwarded, you can use Webmail or Setup a Mail Client

Sending Email

Use Webmail or Setup a Mail Client.

Fowarding
