# Mail Readers

We do not recommend any particular mail reader. Many are available on our computer systems, including Alpine, Mutt, and Thunderbird.

## Stop Forwarding First

By default we forward your CS mail to username@uchicago.edu. If you would like to use the CS mail server directly please send us an email to stop the forwarding.

## IMAP Client Configuration

## @cs.uchicago.edu

| | |
|---|---|
| Email Address | user@cs.uchicago.edu |
| Mail Server Type | IMAP |
