WiFi

Guest WiFi

Any **faculty** or **staff** member can sponsor someone to get them credentials to login into the SSID 'uchicago-guest'.

1. Go to http://uchicago-guest.uchicago.edu
2. Sign in with your CNETID credentials.
3. You or the user can fill out the form. This will give them credentials to login to the SSID 'uchicago-guest'.

Conference WiFi

Please email techstaff@cs.uchicago.edu. A conference WiFi account requires a trusted agent to create.
