

## Editing your CS directory entry

### Login to the CS website

\* Browse to <http://www.cs.uchicago.edu>

\* At the bottom of the page, in the area known as the "footer", beneath the University of Chicago phoenix crest, there will be a string "@" followed by a year. Click on the "@".

\* Enter your CNetID and password and authenticate

\* *If this is your first time logging into the site, you will need to contact [techstaff](#) to request that the permissions be set to allow editing*
