Zoom Resources

Shared Google Drive folder with resources on browser requirements and features specific to account types.
ITS's page with links to request an account.
Here or here for more detailed video tutorials from Zoom's official website. For some videos, the transcripts are searchable.
http://uchicago.zoom.us is the sign in page for faculty and staff.
http://uchicagostudents.zoom.us is the sign in page for students.

Linux

Fix Scaling

For example: If you are using 200% scaling: ~/.config/zoomus.conf

```
scaleFactor=2
```
